# Tee Sponsorship

This is your opportunity to add your support to this great event, and increase your company exposure to prospective customers and support Turfgrass Research and Education. Your \$150.00 sponsorship will include a large sign featuring your company name, which will be placed strategically on one of Hyperion Field Club's 18 tees during the tournament. In addition, there will be a drawing during the awards presentation for a gift from the tee sponsors. Help us make the 28<sup>th</sup> Anniversary of this event a huge success!

We only have 18 tees to sell so this is on a first come, first serve basis. If interested, please include your check with the order form below by July 15th, and mail to The Iowa Turfgrass Office. Checks must accompany orders to reserve a tee.
