

**CORONAVIRUS WAIVER**

*(draft – please use at your own discretion)*

I have been aware of the coronavirus pandemic and CDC recommendations regarding social distancing, disinfecting and responsible conduct. I acknowledge that I am aware of the risk of engaging in social activities including playing golf during the pandemic, and I fully and freely acknowledge those risks. I agree to assume the risk and not to hold \_\_\_*(put your facility name here)*\_\_\_ responsible in the event I would contract the coronavirus. I agree:

1. The facility advises to not have more than one person on my golf cart at any time, with the exception of allowing a member of my own household to ride with me.
2. To engage in social distancing while playing.
3. To not handle the flagstick at any time.
4. To not handle a rake or rake bunkers at any time.
5. To not enter the golf shop or clubhouse if there are more than 10 people in proximity of the golf shop or clubhouse.
6. To utilize disinfectant wipes and hand sanitizers whenever and wherever they are available.
7. That it has been recommended that I bring my own disinfectant wipes and hand sanitizer.

I've been fully and completely informed of all of the above and agree to conduct myself accordingly.
